## TECHNICAL FEATURES TEKNİK ÖZELLİKLER

### EN

- Vibration motor
- Silo discharge screw
- Cylinder thickness 3mm
- Cone thickness 3mm and 5mm
- Top cover thickness 2mm
- Feed made of 5mm thick profile
- Can be produced in demanded diameters and heights
- All surfaces are epoxy painted conforminty with food codex after sand blasting process

### TR

- Vibro motorlu
- Silo boşaltma helezonu
- Silindir 3mm
- Konik 5mm ve 3mm
- Şapka 2mm
- Ayaklar 5mm kalınlıklı profilden
- Bina ve konstrüksiyon ölçülerine uygun çap ve boyda özel üretim olanağı sunulmaktadır
- Tüm yüzeyler kumlama işleminden sonra gıda kodeksine uygun epoksi boyalı olarak imal edilmektedir
